Domestic Activities/国内活动

The SCCI is an organization that promotes the comprehensive improvement and growth of commerce and industry in the city of Sapporo, and contributes to the progress of social welfare in the local community. From public, regional and all-round viewpoints, the SCCI supports the vigorous development of its 20,000 member companies and the local community.

札幌商工会议所为促进札幌市工商业的改善和发展、振兴地区经济做出了重要的贡献。此外,我们从公共性、地区性、综合性的观点出发,对于旗下约2万家会员企业以及地区社会的活跃发展给予了大力的支援。

Promotion of regional vitalization/增强地区活力而开展的活动

The SCCI supports regional vitalization projects such as an early start of the construction of the Hokkaido Shinkansen bullet train. Construction of the Hokkaido Shinkansen is currently underway between Aomori Prefecture and the city of Hakodate in Hokkaido, with a completion target of FY 2015; the SCCI is engaged in activities to make extension of the line to Sapporo a reality.

支援包括促进北海道新干线早期开工在内的诸多能够增加地区活力的项目。目前,预计于 2015年竣工的青森至函馆段新干线正处于修建中。我商工会议所的目标是将新干线线路一直延长至到札幌、并正在为此努力开展各种活动。

Lobbying/请愿活动

The SCCI petitions and lobbies appropriate government ministers, the Hokkaido prefectural government, and the Sapporo municipal government to support individual business promotion projects by industries in and around Sapporo, and to promote the development of a regional social infrastructure.

通过向国家、北海道政府以及札幌市请愿,不仅支撑了札幌及其近郊的产业界发展,还加快了地区社会基础的改造。

The SCCI also strives to promote development of local industries that take maximum advantage of Hokkaido's regional characteristics, through the Northern Brand project, which certifies outstanding goods, technologies and technical experts of local small companies, and the Hokkaido Food Meister Certification to foster experts in regional food products.
