The Sapporo Chamber of Commerce and Industry is a comprehensive regional economic organization, comprised of more than nineteen thousand five hundred small and medium-sized enterprises. Administration is comprised of six main departments: General Affairs Department, General Planning Department, Finance Department, International Relations and Tourism Department, Industrial Promotion Department, Membership & Organization Department, and Small and Medium-sized Business Consultation Office, with branch offices at 5 locations throughout the city. Furthermore, we are the only chamber of commerce in the nation with its own affiliated chamber academy for raising human resources equipped to contribute to regional economy.

Members belong to one of the divisional parties and sub-divisional parties, according to type of industry or category of business, and participates in activities therein. Our organization strives to recommend policies to the government and municipalities, based on the collective opinion of our members, for the purpose of further developing each industry. Furthermore, we have a committee responsible for investigative research concerning important matters.
